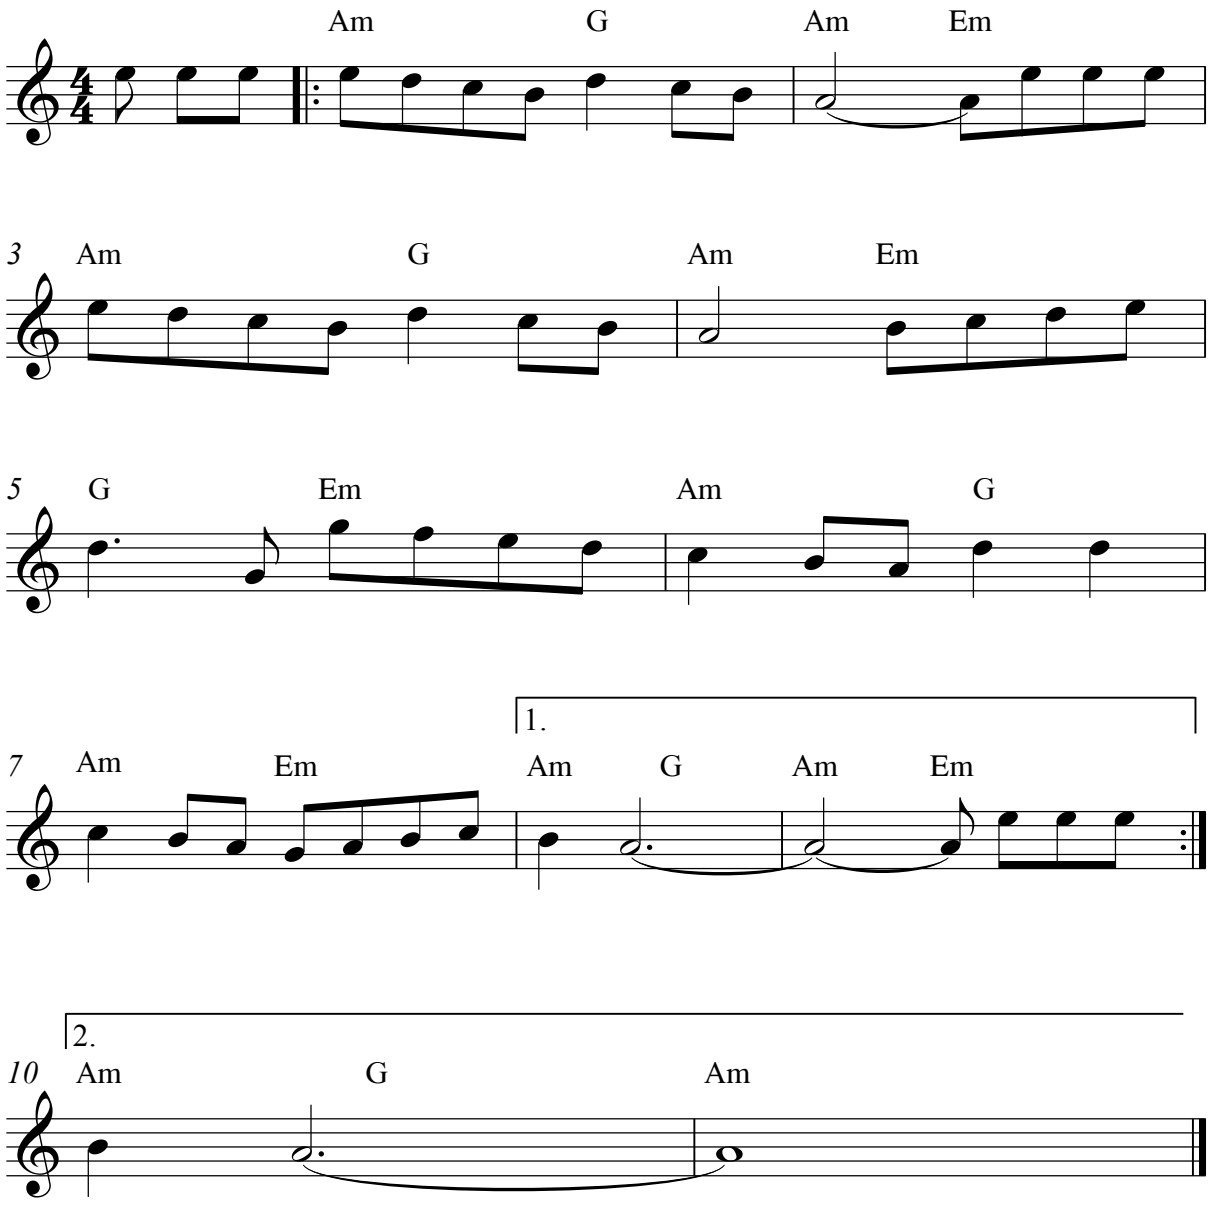
# St. Basil's Hymn

Traditional Greek Christmas tune



Note: The single-note bass line often associated with this tune was written by composer and hammer-dulcimer player Malcolm Dalglish, and was recorded on a 1982 recording ("Thunderhead" by Malcolm Dalglish and Grey Larsen). Dalglish's effective and haunting arrangement was also used by George Winston in his 1982 recording "Winter" (the "Minstrels" section of the "Night" medley) and by Kim Robertson on her 2004 recording "Christmas Lullaby".
